Mission

"I Have a Dream" Foundation of Boulder County motivates and empowers children from low-income communities to reach their education and career goals by providing a long-term intervention program of mentoring, tutoring, and cultural enrichment. Upon graduation from high school, each Dreamer is eligible to receive a four-year $10,000 tuition-assistance scholarship for college or vocational school.

History

Founded in 1990, the "I Have a Dream" Foundation of Boulder County is the 33rd affiliate of the national "I Have a Dream" model established in Harlem, New York in 1981 by founder Eugene Lang. Since then, over 200 "I Have a Dream" programs have operated in 29 states, Washington D.C., and New Zealand, collectively serving over 16,000 Dreamers. Boulder County is one of the largest affiliates in the country, sponsoring 17 Dreamer Classes and providing more than 900 Dreamers with intensive support and wrap-around services reaching family members and guest participants to impact over 3,000 people in Boulder, Lafayette, and Longmont since our programming began.

Vision

The "I Have a Dream" vision is for all children to have an opportunity to earn a college degree and fully capitalize on their talents, aspirations, and dreams of having a fulfilling career and productive citizenship.

DEAR FRIENDS & SUPPORTERS

2015 included a number of milestones for the “I Have a Dream” Foundation of Boulder County. It was our 25th Anniversary and we celebrated a quarter century of support for more than 900 low-income youth from elementary school to and through college or another post-secondary opportunity.

In May, we moved our Program Support offices into a new building in Boulder! This wasn’t just any building. We purchased the building, located near Table Mesa and Highway 36, in January. The purchase illustrates our commitment to Boulder County and its low-income families. This permanent asset assures that more funds can go toward direct programming!

At our annual Dream-Maker Luncheon, we raised a record number of funds, including sponsorships for more than 100 new Dreamers from over 1,000 attendees, preparing us to launch two new classes in 2016. Thanks to the community’s support, our Silver Year was a celebration of success, and “I Have a Dream” is excited for the next 25 years and more!
2015 HIGHLIGHTS
We Have a New Home!

In January 2015, “I Have a Dream” purchased a 6,258 square foot building at 5390 Manhattan Circle, Boulder, to use for its program support services. We are excited to have space to train volunteers, including the mentors and tutors that work directly with Dreamers; to house our pre-collegiate, college, and career center; and to train our AmeriCorps and staff members. Purchasing the building is a testament to the long-term aspect of our program and illustrates that “I Have a Dream” is committed to be here for our current Dreamers and the families we serve, as well as the many more who are on our waiting list.

Our new St. Vrain Valley Class is Our First in Carbon Valley!

In 2015, “I Have a Dream” began working with teachers and community leaders to launch its first Carbon Valley Class in Frederick. The community rallied around this effort, hosting the Carbon Valley Breakfast in June 2015 and a dinner in February 2016. In the spring, a Jog-A-Thon at the school earned nearly $6,500 for “I Have a Dream.” Even some teachers have stepped up as Dreamer Sponsors!

Thanks to all this hard work, the Carbon Valley Dreamer Class will launch in 2016 with 50 Dreamers at Thunder Valley K-8.

Paving the Pathway to College and Career

“I Have a Dream” spent 2015 expanding its College & Career program to support our hard working youth beyond high school graduation.

Thanks to funding from the Colorado Department of Higher Education’s Colorado Opportunity Scholarship Initiative (COSI), “I Have a Dream,” along with its partners, launched new and expanded pre-college programs, including a two-week in-residency at the University of Colorado–Boulder for 30 youth; a campus immersion experience at Front Range Community College’s campuses; and an intensive Internship Boot Camp that prepared our youth for 29 paid summer internships.

Because of this grant, we were able to hire an amazing person to run all this: Dr. Krishna Pattisapu, who earned her Ph.D. in Communication Studies from the University of Denver, and as a first-generation college student, brings over eight years of experience building inclusive campus environments and fostering conversations about inclusivity and college access.

Thank you to the following generous donors and funders for supporting the purchase and renovation of this building.

Dreaming Big

“I Have a Dream” launched its largest Dreamer Class ever in 2015. The 72 second-grade Oak Dreamers took the stage in front of their families and supporters to announce their Dream careers and pledge to graduate high school and go to college.

This class is also the first of the Dream Big Initiative, a collaborative effort that is expanding “I Have a Dream’s” program by creating greater collaboration with local partners and organizations. The Dream Big Initiative’s ultimate goal is to serve all low-income youth in Boulder County with cradle-to-career support, closing the achievement gap by 2040.

Graduation Day

In May 2015, 92% of our senior Iris Dreamers graduated high school, and 91% of those graduates went off to college in the fall, including Lynn University (in Florida), CU-Boulder, CU-Colorado Springs, and Front Range Community College. These youth spent more than 10 years with their Program Director Francisco Meijas in after-school and summer programming. In high school, thanks to a partnership with Boulder High School and Boulder Valley School District, the youth attended Dreamer programming during the school day with a Dreamer study skills class!
A sold-out crowd of 1,000 people attended our 25th Anniversary Dream-Maker Luncheon, to celebrate 25 years of helping youth realize their Dreams. The event kicked off with over 400 current Dreamers, College Dreamers, and Alumni Dreamers encircling the room to the sound of the college chant led by Dreamer Alumna Melissa Morris, a successful actress.

Sponsors, Mentors, Dreamers, and our Dreamer Alumni shared stories about the impact that “I Have a Dream” has had on their lives. Collectively 110 Dreamers were sponsored at all our 25th Anniversary events!

Class Sponsors Honored
Twenty-five years of “I Have a Dream” sponsors were celebrated at the Dream-Maker Luncheon, including Full Class sponsors, some of which are pictured with our CEO on the right:
(from left to right) Dee Perry, Dianne Ladd, Brenda Lilly, Midge Korczak, Edie Ortega, CEO/President Lori Canova, Linda Shoemaker, Debra Lane, and Wilma Ormsbee.

“I Have a Dream’s” Boulder County affiliate founders were celebrated at the 25th Anniversary Dream-Maker Luncheon, including (pictured here) John & Annette Taylor, Ellen Tate, and Peggy Dotson, as well as (unpictured) Kaye Howe and Bob & Diane Greenlee. This passionate group started Boulder County’s first Dreamer Class in 1990, motivated by the low graduation rates—35% for low-income youth at the time!

Meet Nan and Gerry Bunce, Leave a Legacy Donors
Once a Dreamer Class is sponsored, a year-round learning center is established exclusively for each Dreamer cohort at the students’ school or housing development. The students receive 16 years of program support, from elementary school through high school and on through college. Through the long-term program of academic and social support, these low-income youth in Boulder County are overcoming language, cultural, and economic barriers to graduate high school, pursue higher education, and strive toward meaningful careers.

The following activities are provided during after-school and summer programming to help close the achievement and opportunity gaps, eliminate summer learning loss, increase graduation rates, and prepare Dreamers for post-secondary success:

### Academic Achievement
- Literacy proficiency through one-on-one and group activities
- Science, technology, engineering, arts, and math (STEAM) skills and hands-on activities
- Homework help and study skills
- One-on-one tutoring during daily in- and after-school program
- Study skills class in high school

85% of Dreamers report "I Have a Dream" has made them more comfortable with STEM subjects.

### Summer Learning & Leadership Academy
- Programming to prevent summer learning loss in math, science, and literacy
- Activities that foster leadership growth, cultural enrichment, and career exploration

74% of older Dreamers report they spend more time reading for fun because of Dreamer programming.

### College & Career Preparation & Aspiration
- Workshops to create a culture of college goal setting
- Career tours that connect school and the workforce
- Paid internships and job shadows
- College tours and hands-on guidance through the admissions and financial aid process

98% of Dreamers report that they expect to graduate from high school and go to college.

### Financial Resources & Opportunity
- $10,000 scholarship for college or vocational school
- College Savings Accounts for parents and students

85% of Dreamers attend college or another post-secondary opportunity.

### Service Learning & Life Skills Workshops
- Service learning projects
- Social confidence, cultural appreciation, good citizenship, and leadership skills
- Workshops on nutrition, peer pressure, teen pregnancy prevention, and drug & alcohol prevention
- Trusting relationships between staff and Dreamers which support positive life choices

97% of Dreamers report they have an adult at "I Have a Dream" whom they trust.

### Parental Outreach & Counseling
- Parent leadership councils to increase parent involvement
- Parent meetings, home-visits, and parent-teacher conferences
- Education of parents about their role in their child’s academic development
- Explanation of the post-secondary process and assistance with college & financial aid applications

89% of parents said they have learned new things at "I Have a Dream" parent programming.

### One-on-One Mentoring & Support Networks
- Long-term, positive relationships with mentors and staff
- Diverse cultural opportunities
- Socio-emotional skill development
- Extracurricular activities and athletics

100% of younger Dreamers with mentors report that they know their mentor cares about them.

"I Have a Dream" has a proven record of increasing high school graduation rates and college enrollment and completion for low-income youth in Boulder County, breaking the cycle of poverty in our community.

Over the past 25 years, Dreamers have attended college or vocational schools at rates considerably higher than comparable demographics. Deep socio-emotional relationships between Dreamers and staff help keep risky behavior at lower levels than their peers. Our long-term personal and committed approach is empowering these youth to achieve educational success, gain meaningful employment, and become productive members of our Boulder County community.

“I Have a Dream” Foundation of Boulder County is excited to announce that we will now start serving students earlier, in the 1st grade, to increase their chances for academic success!

We are seeking Dreamer Sponsors at $3,000 a year for 10 years of the 16 years we support Dreamers. In addition to becoming Dreamers in the 1st grade, students will benefit from all of our programming components, including college and career support, while also maintaining the high caliber of year-round academic, social-emotional, and enrichment activities, along with the $10,000 scholarship towards college that has made the program a continued success for the student participants.

The “I Have a Dream” Foundation of Boulder County is an approved child care program in the State of Colorado, which means that your donation of $250 or greater to a qualified program is eligible for a 50% childcare contribution credit on up to $200,000 of the donation.***

Nan and Gerry Bunce knew about the national “I Have a Dream” Foundation from Nan’s job as a reference librarian in New York, so when they learned about the local affiliate in Boulder County, they knew they had to investigate. “We wanted to get involved with kids, and support for education has always been a big part of our value system,” said Nan. Nan and Gerry became Dreamer Sponsors and started volunteering with the Rocky Mountain Dreamer Class.

“It seems to us that it’s a great investment in the future that is proven to work. All the progress that the kids make; all the personal changes as they grow up” make investing in “I Have a Dream” worth it, she added. She and Gerry love seeing “the different ways kids learn about themselves and the world.”

“IT SEEMS TO US THAT IT’S A GREAT INVESTMENT IN THE FUTURE.”

Now that they have found “I Have a Dream,” which they see truly works for kids, the Bunces intend to support it for years by continuing their annual Dreamer sponsorship and becoming a “Leave a Legacy” donor, which will enable them to make a lasting impact in the lives of future Dreamers. “We see in a very graphic way how our money and time are being spent” at “I Have a Dream” and the good it brings.
SPOTLIGHT: DREAMER ALUMNUS

Danny Manzanares, an alumnus of the Lafayette Dreamer Class, has achieved more than he thought possible. He made his dreams a reality by graduating college with a degree in Business Finance, and is now a Financial Solutions Guide with a loving family and a passion for giving back.

“I Have a Dream’ gave a boy in a low-income environment the confidence to not only be successful academically, but also spiritually, mentally, and physically. Before joining ‘I Have a Dream,’ I was not sure if I was capable of graduating high school let alone college. ‘I Have a Dream’ was there year after year, week after week, and day after day making sure that I was on track.”

“I feel truly blessed to have been chosen as a Dreamer. I know for a fact that I would not be the man I am today without the support of ‘I Have a Dream.’ I am proud to wear the Dreamer badge and I give back as much as possible in order to do my part for the next generation.”

Danny volunteers at “I Have a Dream” events and mentors a Dreamer in middle school who happens to live in the same community that he grew up in. He believes that having a dream, in all stages of life, is extremely important and says “Once a Dreamer—always a Dreamer!”

When Juan, Alberto’s son, signed up to be a Dreamer in the Aspen Dreamer Class, he told his father that he was going to get good grades and become the first one in his family to go to college and become an engineer. Alberto has watched his son, who is now in the sixth grade, come closer to accomplishing that goal every day since.

“My son is a very nice and good kid. He understands that he should take advantage of the program and that he should be nice and help other students in the program,” says Alberto. “‘I Have a Dream’ has helped tremendously in educating my son and teaching him how important education is to a better future.”

“My Whole Family Has Benefited from What ‘I Have a Dream’ Has Taught Him.”

Alberto, who at times has worked more than one job to support his family, wants other kids to have the same opportunities as his son, so he educates fellow parents and children about “I Have a Dream” and its benefits. He knows that “I Have a Dream” can make a huge difference in a child’s life and hopes that the foundation will continue to receive all the generous support from its donors for years to come.

WE APOLOGIZE FOR ANY ERRORS OR OMISSIONS
VOLUNTEER OPPORTUNITIES:
More than 500 community members are involved in some level of volunteer assistance at “I Have a Dream” in Boulder, Lafayette, Longmont, and Carbon Valley.

More help is needed in the following areas:

PROGRAM VOLUNTEERS:
Make a difference by helping students with their homework, study skills, and enrichment activities. Program volunteers meet with Dreamers at least once per week at one of our learning centers/local schools, for a minimum one-semester commitment, volunteering at least one day each week throughout the semester. Training and a handbook are provided.

MENTORS:
Adult volunteer mentors support Dreamers with long-term, reliable relationships and serve as positive role models. Mentors see their Dreamer at least twice per month for a minimum one-year commitment, doing fun activities like hiking, arts and crafts, shooting hoops, gardening, etc.. Training and a mentor handbook are provided.

BOARD AND COMMITTEE MEMBERS:
Board members serve for three-year terms to provide guidance for programming, fundraising, and financial management. Committee members commit one year to support the Board of Directors by serving on one of the event fundraising committees.

HOSTS FOR JOB TOURS, SUMMER INTERNSHIPS, AND CAREER PRESENTATIONS:
Employees and companies offer tours of their workplace, job shadowing days, and summer internships for our middle and high school Dreamers. Individuals are also needed to visit the program and speak to our Dreamers about their career/industry.

GET INVOLVED
If you would like more information on how to get involved, please contact our Volunteer Director at 303-444-3636 x 19 or fill out a volunteer application on our website at www.ihaveadreamboulder.org.
