Celebrating 20 Years of
Educating Boulder County Youth

2010 Dream-Maker Partner Opportunities

We value every one of our corporate partners and strive to offer a wide array of benefits and opportunities for exposure. We also recognize that the needs of each partner are unique and would like to work to meet those needs individually with flexible benefits and ways to connect with our community.

Three levels of partnership are available and we would like to work with each partner individually to design a package, based on your investment, that best fits your needs.

\$15,000 Doctorate 20th Anniversary Partner

Recognition at all of our signature events and in all of our marketing collateral and communications.

\$10,000 Masters - 20th Anniversary Partner

Choose to be featured in two of our signature events as well as marketing collateral and communications.

\$5,000 Bachelor's - 20th Anniversary Partner

Focus your investment at one of our signature events or mix and match with lower exposure at more events.

As part of our 20th anniversary year we will be hosting several events designed to educate and engage the community about the highschool dropout crisis and how we can all be part of a solution. These community forums will range from panel discussions to morning coffee chats where those who care about the education of our communities' children can gather. As a 20th Anniversary Partner you will be recognized at these events and throughout the year in our newsletter (distribution 7,000), invitations, Daily Camera ads and other marketing communications.

As part of our program we will be hosting **four signature events** where various levels of recognition are available for you to choose from.

May 2010 - VIP Reception at Tebo's Garage - This unique event is designed to celebrate our largest and long-term donors as well as expand the circle of those committed to education. A rare opportunity to view the 300+ collectible cars in Stephen Tebo's personal collection. Invitation only. Attendance of 250 community members, partners, donors and business leaders.

July 2010 - Eighth Annual Golf Tournament at Colorado National Golf Club - Attendance of 200 includes golfers and volunteers (ages 21-60) as well as local and sports celebrities. Our annual golf tournament has become the celebrated golf event of the summer. Business and corporate executives from the Boulder County area.

September 2010 - Dream-Maker 20th Anniversary Luncheon - Our largest event of the year with attendance of 400 business and community members from around Boulder County (ages 18-70). At this invitation-only event, a remarkable program is presented that highlights the stories of our Dreamers and their families.

November 2010 - Longmont Dream-Maker Breakfast - A morning event celebrating the achievements of our Longmont Dreamers and those in the Longmont community who assist them on their path to graduation. Attendance of 140 community leaders, educators and business people.

To discuss becoming a 20th Anniversary Partner please contact Priscilla Gonzales at 303-444-3636 x15
