KITCHENS ARE COOKING TOUR

Studio3 and the “I Have a Dream” Foundation present the **Kitchens Are Cooking Tour** May 1st and 2nd, 2010. Ten fabulous kitchens in Boulder will be featured, each with a culinary cooking theme. There will be chefs, demonstrations, and cooking ideas — all in beautiful kitchen settings.

This exciting community fundraiser provides an excellent opportunity to build your brand and showcase products or services all while raising money for a worthy cause. We are asking you to be a part of this fantastic and fun foodies tour by contributing your time and talents to benefit the “I Have A Dream” Foundation of Boulder County.

All proceeds from the **Kitchens Are Cooking Tour** will support the “I Have a Dream” Foundation of Boulder County’s *Healthy Bodies = Healthy Minds* program. The *Healthy Bodies = Healthy Minds* program provides low-income children with life skills focused on nutrition and wellbeing, participation in a variety of recreational activities, and healthy after-school snacks.
